Guidelines for Academic Advisors: Degree Audits, Add/Drop, and Early Warning Intervention

Section 1: Academic Advisor Responsibilities

1. Academic advisors are assigned to guide students through their degree plans, course selections, and university policies.
2. Advisors must review the student's transcript and prerequisite compliance prior to approving semester registrations.
3. For students on probation, advisors must formulate an Academic Recovery Plan restricting registration to 12 credit hours.

Section 2: Add/Drop & Course Withdrawal Regulations

1. Course changes (Add/Drop) are permitted only during the first week of classes via the student portal.
2. Students may withdraw from a course with a grade of **W** prior to the 10th week of the semester with advisor consent.
3. Unofficial withdrawal after the deadline results in a recorded grade of **WF** (Withdrawn Failing), calculated as 0% (F).

Section 3: Incomplete (I) Grades and Grade Appeals

1. A grade of **I** may be granted when a student with satisfactory standing is prevented from completing final exams due to documented emergencies.
2. Incomplete coursework must be completed within four weeks of the start of the following semester; otherwise, the grade becomes F.
3. Grade appeal petitions must be submitted within two weeks of official semester grade publication.
